

2020-2021 Series

Presented by: Missouri Department of Health and Senior Services,
in partnership with Missouri Telehealth Network

Overview: The School Health Program is partnering with the Missouri Telehealth Network to provide a series of webinars designed for school health professionals. The webinars will focus on the latest information relating to managing children in the school setting with health issues and/or special health care needs.

Registration: <https://app.hatchbuck.com/OnlineForm/3012306301> (One-time registration for the webinar series)

The web conferencing platform will allow all participants to engage in dialogue with content experts and colleagues in each session of the learning series. You will need to register one time for the series of web sessions, then complete a brief check-in for each session.

Each webinar will take place on Wednesdays from 2:30 p.m. - 3:30 p.m.
